Dear Daniel,

Thank you for the opportunity to support Okoro and Lane Legal. Following our discovery call, we have prepared this proposal to create a new brand identity and a website that reflects the quality of your work.

01 Executive Summary

Your brand looks different on every channel, and your website no longer reflects the business you have become. We propose a complete brand identity and a new marketing website built on it, delivered in three phases over ten weeks.

02 Your Goals

- ✓ Present one consistent brand across every channel
- ✓ Explain your services clearly in the first ten seconds
- ✓ Generate more qualified inquiries from the website
- ✓ Make content easy for your team to update

03 Proposed Solution

We will start with the brand, then design the website on top of it, so every page uses the same voice, colors and imagery.

Brand identity	Logo, color palette, typography and brand guidelines.
Website design	Layouts for ten page types, designed for desktop and mobile.
Website build	Content management system, forms and basic search optimization.
Launch & handover	Migration, redirects, training and 30 days of support.
