PROFILE

Intensive care nurse with 10 years of experience caring for critically ill adults. I stay calm under pressure, I am a trained preceptor, and I helped introduce two protocols now used across our hospital network.

EXPERIENCE

Senior ICU Nurse

2019 to present

Royal Southbank Hospital · Melbourne, Australia

- Care for ventilated patients in a 24-bed intensive care unit
- Precept 12 new graduate nurses and lead the sepsis protocol
- Brought central line infections to zero over 14 months

Registered Nurse, ICU

2015 to 2019

Yarra Valley Health · Melbourne, Australia

- Gave one-to-one care to patients on advanced life support
- Joined the rapid response team covering 5 wards
- Introduced a handover checklist adopted by the whole unit

Registered Nurse, Surgical

2013 to 2015

Bayside Private Hospital · Geelong, Australia

- Cared for 8 post-operative patients per shift
- Trained in wound care and pain management protocols
